Entrepreneurship SIG

Sponsored topic:

Entrepreneurship and societal change

4TH – 7TH JUNE 2014, Valencia

Dear colleagues,

We are pleased to invite you to submit your full paper to our sponsored topic – Entrepreneurship and societal changes. Our topic welcomes studies addressing the relation between entrepreneurship and context. In particular contributions should address entrepreneurship, entrepreneurial activities, and outputs in peculiar and non-traditional contexts or the influences of entrepreneurial activities on institutional, environmental and societal contexts.

All submissions will receive a double-blind round of review. The papers accepted and presented at the conference within the Entrepreneurship SIG will be published online with ISBN in the conference proceeding. Also best papers will be invited for the Book Series “The Entrepreneurship SIG at European Academy of Management: New Horizons with Strong Traditions”, managed by the SIG Entrepreneurship with Information Age Publishing Inc.

Important information:

- Themes include, but are not limited to
Social entrepreneurship; Social innovation; Environmental entrepreneurship and sustainability; Gender entrepreneurship; Ethnicity and minority entrepreneurship; Ethical decision making and entrepreneurship; Diversity and discrimination in entrepreneurship; Cultural and design issues in entrepreneurship; Shadow and informal economy; New participative and democratic forms of entrepreneurial activities; Entrepreneurship in non-traditional (conventional) contexts: entrepreneurship after the financial crisis, entrepreneurship in transitional/developing economies, entrepreneurship in extreme conditions (i.e. war, violent contexts, natural disasters, poverty and scarcity).
- Deadlines: Submission of papers: 16 Jan 2014 2:00 pm GMT +1
